Subject: APPLICATION NO 17/03417/OUT

Dear Mr Wilmott

I am writing to you as Head of Development Management.

I left a message for Mr Burman who I see is dealing with enquiries on Tuesday to call me regarding this Planning Application but have heard nothing back from him.

Could you please explain why - particularly given the scale of this proposal - we as neighbours did not receive a copy your letter of 7th April 2017. South Sea Farm is one of the properties referred to in the application as it, and the Barn next door (now a separate dwelling) are the only listed buildings nearby and this proposal will have a massive impact on us.

The enormous scale of the proposal was also wrongly and misleadingly reported by Stefan Mackley on 13th April in the Gazette and Herald page 9.

I look forward to hearing from you.

Yours sincerely

Fiona Buchan
