Application No:	17/03417/OUT
Comments:	<p>Dear Sirs,</p> <p>Whilst we have been aware of this impending development, we are unaware of an invitation to take part in any consultation. Although the village of Stanton St Quintin is diagonally opposite the proposed development site, the impact the increased traffic flow on the M4, around junction 17, and the 24-hour flow of traffic to the site give us cause for concern. We would be grateful if you would give us this information as it looks on paper as though this development will have an adverse effect on our lifestyle with even more noise pollution at all times of the day, and ultimately will impact on the value of our property.</p> <p>Thank you</p>
