Comments:	<p>STRONG OBJECTION</p> <p>*Late notification to local residents.</p> <p>*Our household in Parkers Lane, Kington Langley, has not been notified.</p> <p>*Land at J17 has not been designated Employment Land or Additional Employment Land.</p> <p>*Landscape and Visual Impact totally out of keeping with small villages in the area.</p> <p>*Light & Noise Pollution.</p> <p>*Flood Risk in area.</p> <p>*Peak traffic would seriously clog J17 and roads nearby such as A350.</p> <p>*B4122 already a problem when near waste recycling when queues form. Also there is a Lorry Park and cafe (Pit Stop) on this road which carries heavy vehicles.</p> <p>*There is no known end user.</p> <p>THIS PROPOSAL IS TOTALLY UNACCEPTABLE TO LOCAL RESIDENTS AND DETREMENTAL TO THE BEAUTIFUL ENVIRONMENT SURROUNDING JUNCTION 17 OF THE M4.</p> <p>POLLUTION LEVELS / NOISE / & INCREASE IN HEAVY GOODS VEHICLES TRAFFIC WILL CAUSE CHAOS.</p> <p>THIS MUST NOT GO AHEAD</p>
