Application No	17/03417/OUT
Comments:	<p>I object to the application on 4 grounds.</p> <p>1) The proposal is an opportunistic one, and even worse the area is a greenfield site.</p> <p>2) The proposed warehouses currently have no end user, and hence we do not fully know how they will be used.</p> <p>3) There is a similar development at Symmetry Park (Swindon) that is in a far more established location, which as yet also remains 'not let'. The Symmetey Park site also has better access to labour, good public transport, proximity to customers and suppliers.</p> <p>4) The size of the proposed development is so large that there is a risk of flooding downstream. There is already a history of flooding in Sutton Benger (within the last 10 years) where the stream goes under the Seagry Road.</p>
