Comments:	<p>I object to this development. There is not the infrastructure to accommodate such a large development such as this. The surrounded villages of sutton benger and Kington Langley will be severely affected</p> <p>There are not the shops/schools/services to accommodate a structure of this size.</p> <p>The are is one of great beauty and peace and this will be destroyed.</p> <p>The amount of traffic expected cannot be sustained by even just the site work going on with this structure let alone when it is up and running</p> <p>I see work has already started on the site- does allowing the public to have a say become a moot point if all has been decided behind the scenes!!</p>
