Application No	15/04004/OUT
Site Address:	Old Sarum Airfield Limited Lancaster Road Old Sarum Salisbury Wiltshire SP4 6DZ
Description:	Outline application with all matters reserved, except from the means of access to the site for the demolition, modification and renovation of existing buildings, structures and site development. Provision of approximately 22.2ha of residential land accommodating approximately 480 residential dwellings (including 10 residential hangars). Provision for a mixture of employment, commercial / leisure , residential and aviation uses on 5.6ha of land at Area , including a flying hub comprising a control tower, heritage centre, visitor centre, café/restaurant, parachute centre, aviation archives and aircraft hangars. Provision of associated access, including the construction of new points of vehicles access to the surrounding highways network, car parking and connections to the surrounding footpath and cycle networks. green infrastructure and utilities provision, including the provision of above and below ground utilities, including a sustainable urban drainage system. Associated vegetation removal, ground modification and engineering works
Comments:	I totally disagree with all aspects of this application. The airfield and hangers are part of Old Sarum's history connected to the 2 world wars which will be lost to the future generations. The roads can not take any more traffic on the Ford roads,the A338 and Castle Street. Where are the jobs for the new residents? There are no shops and other facilities in the area and the school will be over subscribed. There is nothing nicer than seeing the small planes and sky divers in the air, although the applicants state that these will not stop, I am not convinced as the council will only need one of the new residents to complain about noise etc to close the airfield down. The other issues are flooding and the wild life on and near the site. I hope that the planners see sense instead of Pound signs.
