

## Request for Planning Application to be considered by Committee

Application Ref: **16/07288/OUT - Filands - Phase 2**

**Site Address:** Filands, Malmesbury

I wish the above mentioned planning application to be considered at a meeting of the Planning Committee.

I have indicated below the key issues which I consider justify the call in should the application be recommended for approval/refusal\*

- Scale of development
- Visual impact upon the surrounding area
- Relationship to adjoining properties
- Design – bulk, height, general appearance
- Environmental/highway impact
- Car parking

Other (please specify)

This development is not one of the development sites democratically agreed by the people of the Malmesbury Neighbourhood Area as part of the Malmesbury Neighbourhood Plan.

*For the avoidance of doubt the exercise of my right to call in this application should not be taken to imply any predetermination on my part. My final decision [as a member of the Planning Committee] will depend on the information, representations and advice available when the matter is before the Committee.*

\*Please delete as appropriate.

Before calling in an application, Members are encouraged to contact the Case Officer or Team Leader early in the process, to discuss the merits of the planning application.

**Please be advised that it would be helpful to the committee if you are able to attend for this item.**
