Dear Sirs

I have tried several times to access planning application 16/07288 to voice a complaint, with no success.

The residents of Malmesbury have put in a lot of time and energy to produce a working Neighbourhood Plan and we have already exceeded our housing requirement until 2026.

This application is developer- led and North Wilts Planning need to back their local residents and tell these applicants that Malmesbury does not need them - tell them to go away and build elsewhere!

What was the point of producing the Neighbourhood Plan if it is not backed by North Wilts?

Please pass my comments on to the NW planning team.
