Subject: Planning application 16/07288/OUT. Filands Malmesbury
Date: 11 September 2016 19:10:57

I wish to object to this application for the following reasons:

- 1 The creation of Neighbourhood Plans is a government led initiative and the Malmesbury plan is now fully adopted.
- 2 This application is counter to the adopted Neighbourhood Plan as the application site was assessed but not allocated for development
- 3 There is no demand for housing above that already planned by Wiltshire Council and allocated to 2026 in the Neighbourhood Plan.
- 4 This development on top of the areas already allocated in the Neighbourhood Plan for development would contribute to the overdevelopment of Malmesbury and would have an adverse impact on the infrastructure and services including healthcare and schooling.
- 5 The application is not a sustainable development which is identified by the Minister in his forward to the Malmesbury Neighbourhood Plan.
