**Date:** 15 September 2016 16:31:10

---

I would like to object to Gleasons proposal for 71 dwellings on this land.

My reasons are

There is no demand for further housing in Malmesbury until 2026

The primary schools are full

It is difficult to park one's car particularly at the Health centre ,because of the large number of cars in Malmesbury

I hope that this application for more housing will be refused.

Yours faithfully

P.M.Osborne Mrs
