Address:	3 White Lion Park Malmesbury SN16 0QW
Comments received:	Why is it that the neighbourhood plan is again being tested. people have voted for the amount of housing to be built but still developers are trying the back door approach, we have schools full to capacity, Doctors surgery now unable to provide a proper service because of over capacity of patients, listen to the people who voted because this is what causes great unrest No more housing as for childrens play area, what a con - schools and infracture is what is needed not platitudes
Officer	Alex Smith
