

Planning application No 17/12491/FUL

I wish to object strongly to the above planning application for two dwellings on the land between Little Talboys and Church Farm on Main Street in Keevil.

I object to the potential ruination of this area of listed buildings in Main Street and the opening of a small flood of applications to fill the other spaces all along this street.

I object to the loss of parking mornings and afternoons for parents with children at the primary school. This already causes chaos between 8-40am and 9-10 am, and in the afternoons between 3pm and 3-35pm on school days. At least four spaces will be lost if this unwanted development goes ahead.

The real need in Keevil is for small houses, 2/3 bedrooms affordable for young people in this area.

Most people when you mention Keevil say what a pretty unspoilt village it is, and say we are lucky to live here.

I object strongly to this planning application
