18/00397/FUL – Land North of The Packway and East of Larkhill

Dear Morgan,

I note that the above planning application has been submitted for the final phase of Service Family Accommodation at Larkhill. As with previous phases, I assume that despite the amendments to the original scheme (15/05540/FUL) that the requirements of the S106 with respect to Affordable Housing (i.e. no AH requirement unless the SFA is sold on the open market) will apply to this scheme. If this is the case, I have no further comments with respect to Affordable Housing provision.

Kind regards,
Claire
