

GENERAL NOTES

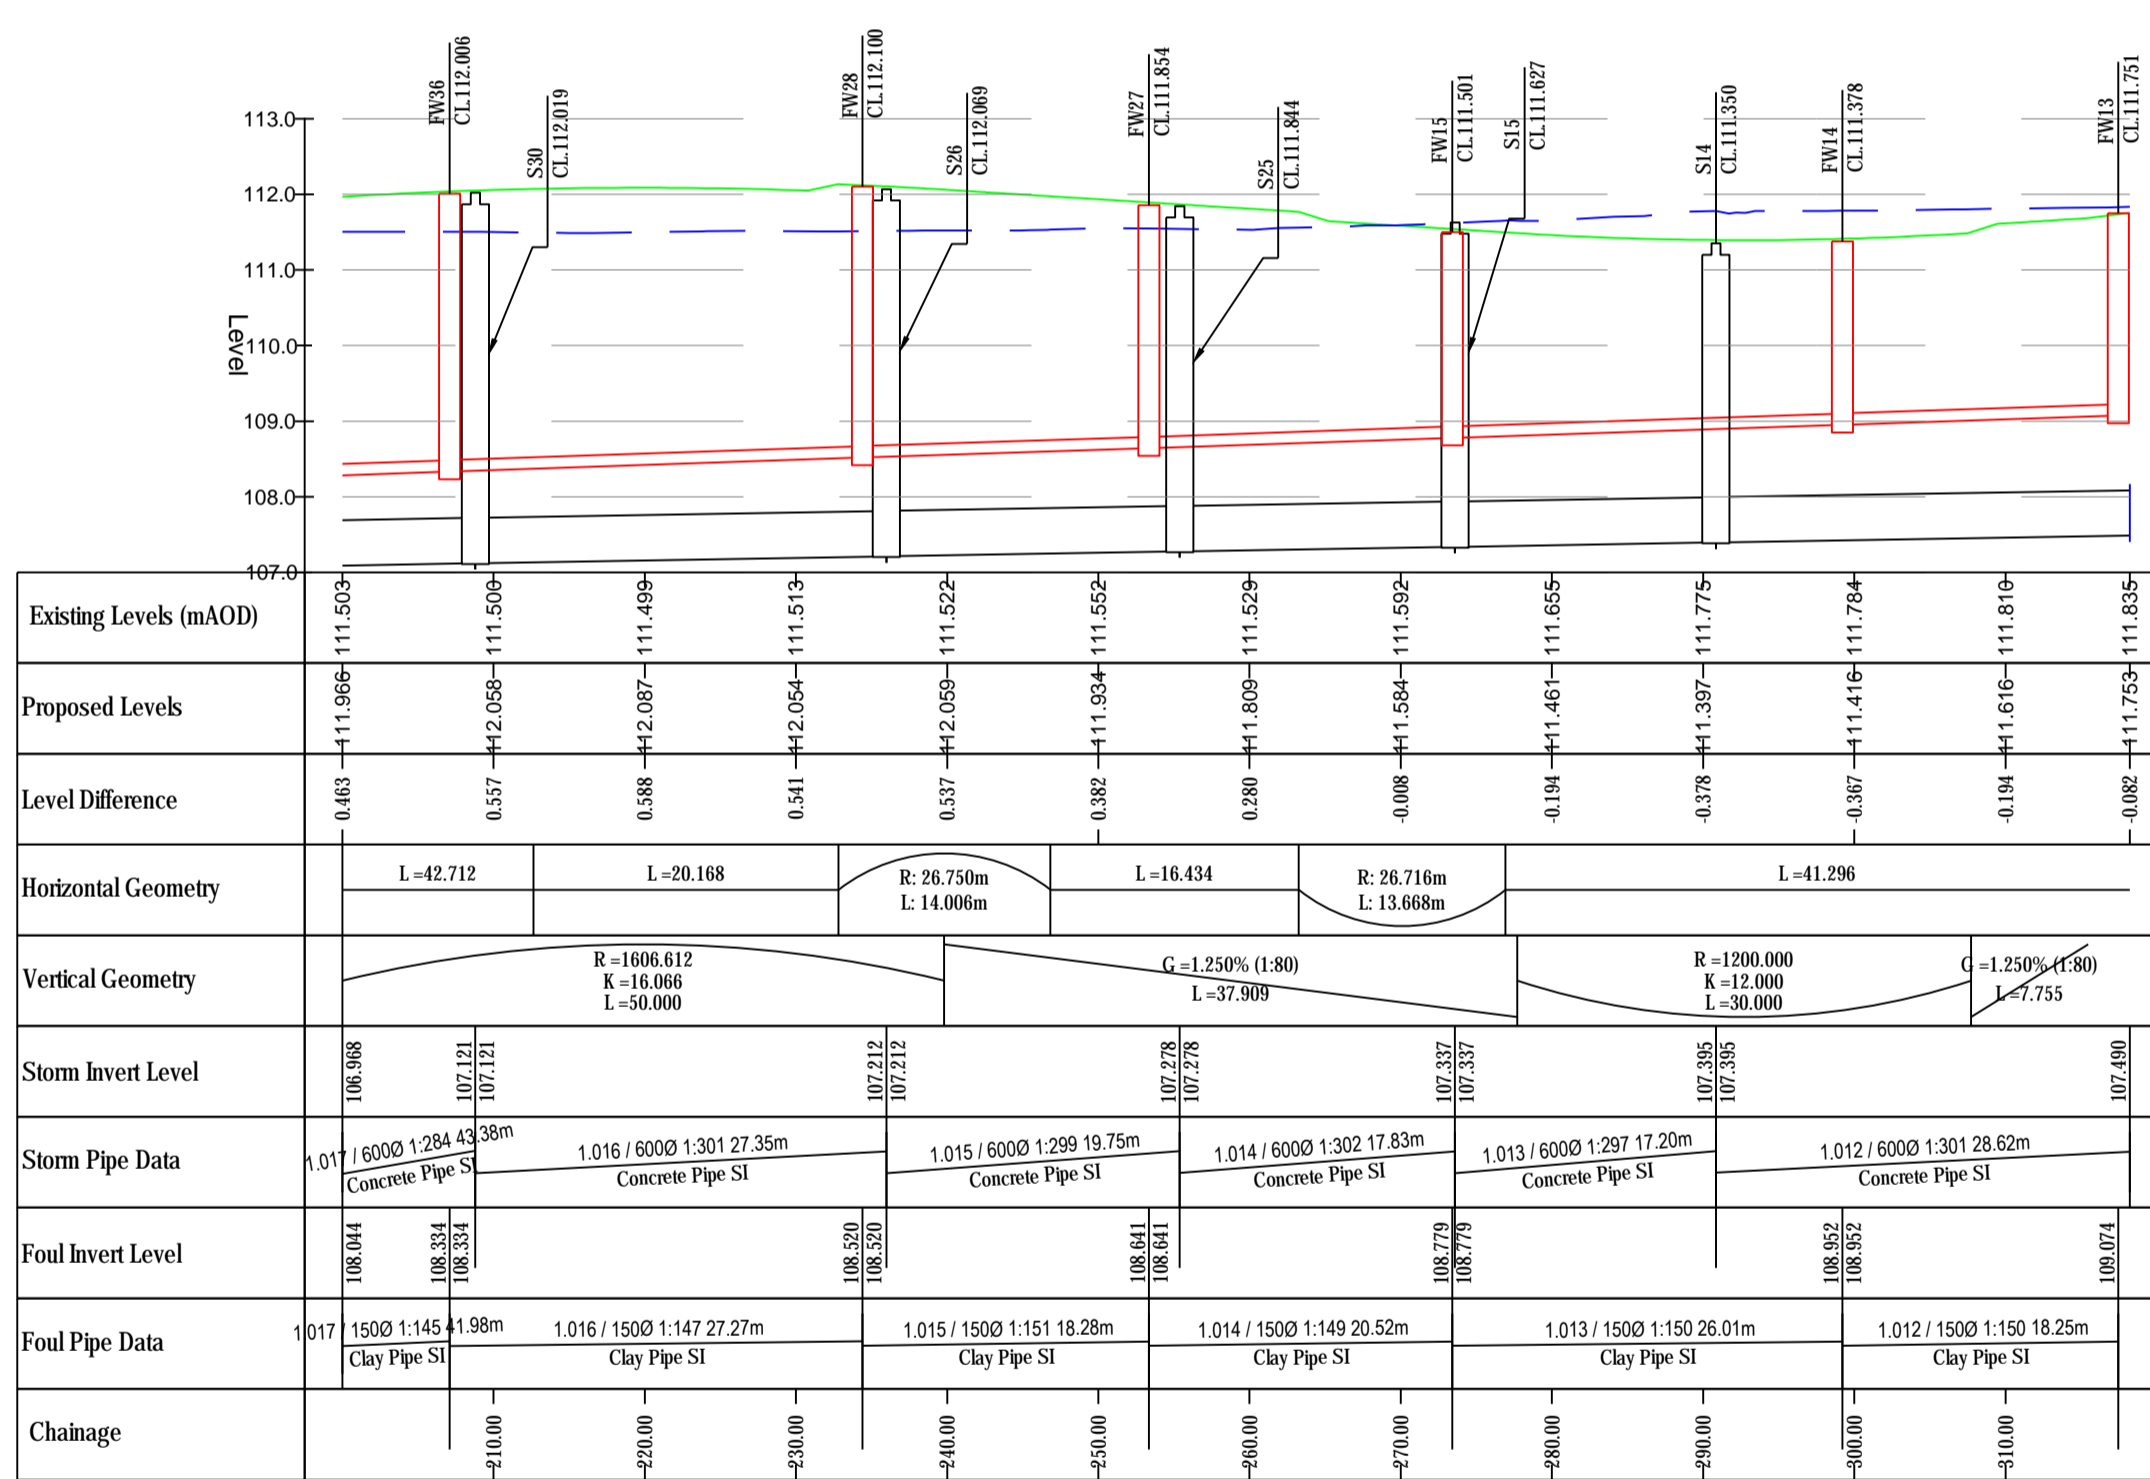

- DO NOT SCALE. All dimensions are in metres unless otherwise stated.
- This drawing is to be read in conjunction with all other relevant contract drawings and documents.
- The Contractor should site check all existing dimensions shown. Any discrepancies on this drawing identified by the Contractor should be brought to the attention of the Employer prior to construction on site.
- The contractor shall conform to all Statutory Authority requirements, checking with the Employer/Client to identify both below ground and overhead services. Contractor to fully comply with all CDM, H&S and party wall acts that are current. All BS references are to current editions.
- Drawing to be read in conjunction with drawings 1141-1148 for road no. locations and chainage references.
