Planning Dept

Dear Mr Perks,

re: Application 18/04656/FUL

Please note that I have today been unable to comment on the above planning application on-line. The librarian was unable to assist me.

Please note that I wish to comment on the proposed development. Firstly, the deadline for comments should be extended for the following reasons :-

- 1) Not able to access on-line system to comment
- 2) Did not receive postal notification until today when Planning Application submitted over two weeks ago. This is not fair.
- 3) Unable to view or access any plans or documents in relation to application.

I look forward to hearing from you,  
Yours sincerely,
