Comments:	<p>Reasons include:</p> <ul style="list-style-type: none"> - parking & traffic & dangers & construction work already underway in old mill site! Driving along Polebarn Road is very difficult now with parked cars and the doctors surgery and this will just become intolerable - Orchard space dates back to 1870, and very few trees are to be spared - an important part of Trowbridge 'a heritage and one of the few undisturbed spots in the town - a habitat for a wide range of wildlife, including rare butterflies, and evidence of bats, and many birds - an unnecessary build: they are luxury houses, not affordable. Indeed ,there are many "brown field" sites in and around Trowbridge to develop for housing without ruining a unique orchard area. Please do think again!!
