Dear Mr Wyatt,

Tree Preservation Orders: Planning application 18/04656/FUL

The application has now been made to build houses on the orchard near Polebarn Road and I urge you to take action as a matter of urgency.

This area of deciduous woodland has never been built on and many trees date back to the nineteenth century. There are many interesting trees in this site which is in a conservation area, important for wildlife and as part of the heritage of this area of Trowbridge.

Please investigate this matter and issue Tree Preservation Orders before it is too late.

I look forward to hearing from you,

Yours sincerely,

PATRICK DOOLEY
