Application No	18/04656/FUL
Comments	<p>Dear Sirs, Re: Planning Application 18/04656/FUL</p> <p>I see from pervious injection letters that some of the residents of Polebarn Road have received notification of this planning, I have not. Obviously I was aware that planning was being sought but I would have expected some form of correspondence from Wiltshire Council.</p> <p>i have several objections to this planning but the main one would be the impact on my very small business that I have been running from 17 Polebarn Road for 5 years now.</p> <p>I have worked very hard over the last 5 years to build this business and I believe that increased traffic, housing and difficulty accessing us would be detrimental to it's continued development</p> <p>Firstly is the amount of noise and air pollution that this development would bring and the negative impact that this would have on the children in my care.</p> <p>The loss of nature and wildlife, that as a nursery, we try to introduce the children to every day.</p> <p>The increased risk involved with walking our children to and from the park and other local amenities that we access as part of their learning due to the increased levels of traffic.</p> <p>The loss of a beautiful green space that has for many years been an area of peace and haven for many children.</p> <p>The building of a house on the car park adjacent to 17 Polebarn Road would mean a loss of access to our building. If there was a fire at the front of our building we would be unable to move far enough away to keep the children safe.</p> <p>There would be yet more loss in car parking, which would cause difficulties for parents dropping their children at the nursery and could possibly cause traffic problems on an already narrow Polebarn Road.</p> <p>I appreciate the need for more housing for an ever growing community but with the other two planning applications already being sought for this road I believe that there could be a far better use for the building and the land that would benefit the whole of the town rather than a chosen few.</p>
