Re Planning Application 18/04656 Courtfield House

Dear Mr Wyatt,

The above application appears to show that most of the trees on the green field site at the back of Courtfield House are to be taken down. This is an old orchard with many varieties of fruit trees, including Medlar and Quince. Can this be allowed as it is in a Conservation area, protected by the Council?

I urge you to place a Tree Protection Order on them.

Yours sincerely,

Teresa Bishop
