Dear Mr Willmott,

Re Planning Applications 18/04656/FUL and 18/05278/LBC

Please will you investigate why the officer responsible for TPOs, David Wyatt, has failed to respond to numerous letters from residents concerned about the proposed development of the orchard at Courtfield House. Last year Mr Wyatt failed to respond to emails and so in the past few weeks many concerned residents have hand-delivered letters to him at County Hall which he has failed to acknowledge. Residents first contacted him about obtaining TPOs for this orchard over a year ago.

Please will you chase up the Highways Report and Ecology Report which need to be undertaken as a matter of urgency in relation to the above applications. The reports commissioned by the developers are biased, out of date and inaccurate.

Please let me know as soon as the date for the Planning Meeting considering this matter is decided.

Yours,

Jackie harding
