	<p>I suggest a rejection of the proposed plan to build on the greenfield orchard space</p> <p>It would be essential that the council insist that the housing developers fully explore opportunities for the orchard to be used as community space, e.g. for learning, forest schools, community events, wellness sessions, gardening and horticulture training and wildlife conservation.</p> <p>Formally consult Historic England on future proposed plans</p> <p>The site is ideally suited near the centre of the town centre park and could be made easily accessible with a gate. The proposed houses are primarily luxury properties, and will not serve to alleviate a lack of affordable housing. Trowbridge town is a former mill town, with many disused buildings that can be</p> <p>This is a precious and rare greenfield site near the centre of an old market town, which several non-profit organisations have already expressed interest in managing the site, such as setting up a community orchard.</p>
