	<p>Hello, I'm writing in opposition to the proposal to build on the old orchard in Trowbridge.</p> <p>It's a greenfield site, in the centre of a town with many buildings crying out for rejuvenation, redevelopment or even rebuilding.</p> <p>There's no consideration for affordable housing in the current plans as far as I'm aware, which is frankly daft considering the demographic of the town.</p> <p>There are a number of groups willing to step in and use the the orchard as a recreational space, a learning resource, &amp; valuable community resource.</p> <p>Please consult with CPRE in future before proposing to scrub out valuable, rare green spaces in the centre of our town.</p> <p>Thank you for your time I look forward to hearing how this evolves.</p> <p>Joe Thomas</p>
