| Comments | <p>I object to this development.</p> <p>There are adequate derelict sites in the immediate vicinity of central Trowbridge for residential development.</p> <p>With the changing habits for shopping more retail sites will become available in Central Trowbridge for residential use.</p> <p>The loss of this ANCIENT ORCHARD would be a dire and permanent loss of AMENITY to Trowbridge residents and as it is adjacent to the PARK it should be made accessible to all.</p> <p>The Council must consult The Woodland Trust and comply with Government policy and REJECT this planning application.</p> |
