

	18/04656/FUL
	Dear Sir/Madam as a resident of Trowbridge who has visited the proposed area I would like to add my voice that it is a very special tranquil place that fits with the other older buildings in the road. The old orchard is a haven for local wildlife too. I think that it would be a very good resource for the community and has an ancient character with mature trees. Thank you.
	Mrs Louise Sneyd
