Comments:	<p>Mr C Maggs</p> <p>2 Suthmere Drive</p> <p>SN83TG</p> <p>I have lived in this village for 47 years after moving from London, it is a great village and growing fast.</p> <p>I know that Wadworths wanted to extend the pub so the idea that it is not viable dose not hold up.</p> <p>When I was in London as a teenager I worked doing a paper round, next I helped the local milkman, then went on to work weekends in a Greengrocer shop, this is a good learning method for youngsters, the Three Horseshoes also employed staff</p> <p>This is the same theme that I had in life that is a good learning curve for youngsters.</p> <p>It's all very well building houses which I know we need but jobs and learning in life for our youngsters is also very important for the community and the wellbeing of our village.</p> <p>I do know that there was people who wanted to buy the pub and keep it open, but Wadworths had other plans.</p> <p>I do hope you look really hard at this application and see it for what it really is, another below the belt for village life.</p> <p>Yours Truly</p> <p>Mr C L Maggs</p>
