Application No:	18/04678/FUL
Comments:	<p>The Burbage Parish Council strongly object to this application for change of use.</p> <p>The Three Horseshoes Inn has been both a social and community resource for many decades. In recent times lack of resources from the owners and very poor management from the Tenant has resulted in a serious reduction in trade.</p> <p>The Council feels that with proper management and modest capital injection this important local facility could return to the thriving business it once was</p> <p>Our recently drafted Neighborhood Plan shows that for the next five years, at least, we have no need for further housing development. What we do need is a properly run Public House in our village.</p> <p>Finally we would draw your attention to the more detailed points raised in the objection made by Mr Rawlinson and his fellow members of The Friends of The Three Horseshoes Inn.</p>
