Comments:	<p>The loss of the only pub serving food in Burbage would be missed by many of the residents.</p> <p>I moved to Burbage three years ago, just after the last tenants took over the Three Horseshoes. My Wife and I visited the pub for a meal about two weeks after the tenants took over, expecting "New Broom" service, the meal and service was so bad that we vowed never to return; However we did return about a year later for a drink to see if things had improved, the place was empty, there was no welcome and service was non existent.</p> <p>With a decent tenant this pub would do a roaring trade and be an asset to the village.</p>
