Comments:	<p>I strongly object to the proposal to turn the 3 Horseshoes into a dwelling. Burbage can easily support a well run pub serving food, as was proved by an earlier tenant. (I visited several times whilst he was in occupation.) I visited the 3 Horseshoes just after the last tenants took over and I was appalled by the lack of welcome and the general demeanour of the couple. I had a very mediocre meal which was almost thrown at me. Thinking this may be because they were new I visited again a year or so later. Nothing had changed and on that occasion I just had a drink and left. My husband and I would be regulars at a good pub serving palatable food and with a friendly atmosphere. From conversations within the village we are sure that a large number of people would support a well run pub.</p>
