	<p>I think this Application should be rejected for all the reasons stated in the letters on this website and having read the documents I agree with the inaccuracies pointed out.</p> <p>The last tenants were really not interested in making a lot of effort either with the food or to create a welcoming atmosphere.</p> <p>This could be a very viable business for someone with a real interest in a customer related environment serving good food and a bit of investment in the property.</p> <p>It could become the hub of the community as it was in the past if given chance.</p> <p>Wadworths seemed to make little or no effort to find out from local people why they thought it not viable before putting it on the market.</p>
