Application No:	18/04678/FUL
Comments:	<p>I strongly object to the planning application for change of use of The Three Horsehoes pub for the following reason:</p> <p>They state that the Three Horseshoes is not financially viable. This is because the pub has been extremely badly run in recent years and so nobody has wanted to go there. There is no other proper pub in Burbage. The White Hart is not open all the time and does not sell food. A village the size of Burbage presents a great opportunity for a well run pub producing meals. It is in an ideal location on the village green just off a major holiday route and could easily attract passing trade as well as local customers from this expanding village.</p> <p>There is nowhere else at this end of the village that can be used as a local meeting place and it would be a great loss to the community if it became yet another private house.</p>
