Comments:	<p>I strongly object to this proposed change of use as the village needs a local pub, especially one that serves food- the white hart in the village does not. I strongly believe that a well run pub would thrive in this area and people would travel to it as they once did before. It has only been since the change of tenants that the pub lost its custom and good reputation - bad choice of tenants by the brewery!</p> <p>I do know that many people gave the pub many chances to find its feet and provide a good service, sadly however this did not happen and people went elsewhere to spend their money - great shame but one that can be reversed if the brewery employed tenants who gave 100% service, cleanliness and professionalism.</p> <p>This would be the right outcome for our local pub and community rather than converting it to yet another dwelling.</p>
