	<p>As a regular visitor to the area and to Burbage in particular, I wish to register my objection to the change of use proposal. The Three Horseshoes has struggled in recent months, due I think to a poor choice of tenant, but has for very many years provided excellent hospitality to the visitor in need of a good meal in good company and in comfortable surroundings. The other village pub does not serve food and the loss of the Three Horseshoes would deal a major blow to the attractions of the village. It was my belief that the brewery sold the pub as a going concern and I am confident that with the right people it could quickly resume its former status as an excellent hostelry. The proposal should be rejected.</p>
