	<p>Objection to Planning APPLICATION FOR CHANGE OF USE OF THE THREE HORSESHOES INN TO A SINGLE RESIDENTIAL DWELLING (Ref:18/04676/FUL)</p> <p>As a resident of Burbage for 15 years and historic customer of the Three Horse Shoes I strongly believe that with the right management the pub could be returned to a profitable thriving business. The application appears to have a number of inaccuracies as highlighted by the other published objections. The council should support the policy of retaining public houses as community assets and reject the application.</p>
