Application No:	18/04803/FUL
Comments:	<p>Dear Sir,</p> <p>This barn is shown on the 1924 ordnance survey map of Keevil.</p> <p>It is now not fit for purpose with today,s farming practices. Machinery is far too large to enter the building.</p> <p>It is redundant. The government has relaxed the planning rules to encourage farmers and others to convert barns and outhouses to dwellings. If left untouched it will gradually collapse.</p> <p>I support this application.</p>
