At a meeting held on 16th June 2018, Keevil Parish Council considered the above application/amended plans and has the following response to make.

<input type="checkbox"/>	No Comment
<input type="checkbox"/>	Support
<input type="checkbox"/>	Support subject to conditions (please set out in box below)
<input type="checkbox"/>	Object (for reasons set out in box below)
<input type="checkbox"/>	No Objections

Suggested special conditions/reasons based on local knowledge:

The application was discussed by Councillors who expressed a number of concerns.

- Major concerns regarding road safety. Visibility when exiting the site is extremely poor to the west. Even if the hedge were to be cut back, the curvature of the road prevents adequate visibility.
- The materials used should all be reclaimed materials and not new or a mixture of both.
- We note the lack of an ecological survey.
