- the remainder of the floor we are going to use vinyl.
- we are going to paint the rest of the walls white and fit some white tiles on the wall behind the counter.
- We are going to overboard and plaster ceiling, and replace ceiling lights
- we intend to remove the current counter as its quite large, and replace with a more useful sized one, that will stay in the same location as current counter.
- we will place tables and chairs for approx. 15-20 covers and also have two chairs with small coffee table.

In the second room in the rear:

- we want to fit vinyl flooring,
- have plain white walls
- add an addition of a stud wall to create a rear food prep area. In which will house a sink, and food prep free standing unit, and a dishwasher.

The bathroom:

- we would like to move the door a few feet in order to be able to add the stud wall for the prep room
- move the toilet to the other side of the bathroom.
