Application No:	<b>18/05086/FUL</b>
Comments:	<p>I am in full support of this application. If successful, it will make excellent use of a redundant golf course which has become an eyesore, with none of the attendant problems that are associated with the site's current function as a venue for music festivals and the like. It should also bring employment opportunities to the area and potentially provide leisure facilities which may be available to the wider community.</p> <p>Phil Jefferson Past Chairman of Chapmanslade Parish Council</p>
