Comments:	<p>This is far too much development for open countryside. The hotel that was granted meant they wouldn't expand in to the old golf course yet this seems like a much bigger project. They make it sound like it's for the benefit of the public but it's just going to be another centre park where it out prices the locals.</p> <p>Access to the site is not great and pulling out onto the A36 is dangerous at the best of times. There is no public transport link to the property</p>
