| Comments: | <p>i would like to object to this planning application as this would take away 10 car parking spaces, have lived in saxon rise for 3 years and have always parked by the garages as there is no space out the front of my house, sometimes I cant even park there if its a certain time of the day, so by taking these spaces away would cause all sorts of problems for parking. unless you allocate parking spaces for tenants with our house numbers.</p> |
