Application No:	18/08304/FUL
Comments:	<p>I would like to object to this planning application as it is full of cars around saxon rise by taking these spaces away it will create mayhem and will make it hard for emergency services to have access to saxon rise as I witnessed this two weeks ago with cars and vans parked on footpaths along the side of the roads and on the grass, the ambulance had trouble turning around and couldn't find any where to park so they left the ambulance in the middle of the road which then caused problems as car couldn't get by and to my amazement people started to sound there horn, there has already been damage done to cars and vans due to tight spaces. by taking these spaces would be mad if anything we could do with more parking not taking it away.</p>
