

22 Saxon Rise.

Dear Georgina,

With regard to the above application, I would like to express the following concerns:

1. As the garages adjacent to my garden form part of the garden wall, I would like to know what will be replacing them, such as a new fence or wall?
2. The safety of the local children when walking to and from the park as there will be car parking on either side of the park.
3. Currently there is inadequate car parking and the loss of these garages and parking spaces in front will only lead to more problems.
4. I would like to point out that the green area is used by the children as a football pitch and is not an antisocial site.

Kind regards,

Amanda Evans
