Application No	18/11052/FUL
	<p>The application lacks information in relation to potential impacts on stone-curlew (<i>Burhinus oedicnemus</i>), a designated feature of the Salisbury Plain SPA.</p> <p>Stone-curlew are known to be very susceptible to disturbance. We would expect to see assessment of the likely effect of the proposal on nesting stone-curlew and if required, appropriate mitigation measures.</p>
