

WILTSHIRE COUNCIL

Application Ref: 18/11052/FUL

Application for Full Planning

Proposal:- Temporary planning permission for use of land for film-making for 35 weeks to include construction of set and use of adjacent land for support services, associated storage and parking

At: Area 8 - Salisbury Plain, Land south of Chitterne Road, Tilshead, Wiltshire, Salisbury, SP3 4RS

Assigned Officer: Hayley Clark

Direct Line: 01722 434297

Comments to be received by: 10 January 2019

Plans are available to view on our website at

<http://planning.wiltshire.gov.uk/Northgate/PlanningExplorer/ApplicationSearch.aspx>

Please be aware that supporting documentation for the application will be available to view online within 24 hours.

Please note – you will not be receiving a paper copy of these plans, you will need to view these on the website.

All comments received will be considered but it will not normally be possible to respond to them individually. Letters will be scanned and placed onto the Council's website so that you can view and check that your comments have been received.

Shrewton Parish Council considered the above application/amend plans and has the following response to make:

<input type="checkbox"/>	No Comment
<input type="checkbox"/>	Support
<input checked="" type="checkbox"/>	Support subject to conditions (please set out in box below)
<input type="checkbox"/>	Object (for reasons set out in box below)
<input type="checkbox"/>	No Objections

Suggested special conditions/reasons for decision based on local knowledge

The Parish Council supported the application, however raised the following conditions and concerns: -

- 1) Full wash facilities to be used by vehicles before egress onto B390 and B390 to be cleaned regularly where additional traffic is egressing – reason chalky mud carried onto the highway makes the surface slippery and dangerous to other traffic.
- 2) All film traffic to comply with military restrictions through Shrewton village, i.e. no access via B3086 High Street/London Road. – reason village is very busy and increased volume of traffic will add to this, the B3086 High Street and London road are narrow with no pedestrian walkways, therefore pedestrians have to use the highway.
- 3) Managed access and egress from Salisbury plain onto B390 – reason this road has a national speed limit of 60mph, however vehicles frequently travel at much greater speed than this.
- 4) Clarification of application form and planning statement – application Q 8. “Pedestrian and Vehicle Access, Roads and Rights of Way. Do the proposals require any diversions/extinguishments and/or creation of rights of way? Answer **No**”, however planning statement quotes “Public access to land 3.19 The map below shows the different public rights of way across the land, including footpath, Byway open to all traffic and restricted byway. During filming days access across these paths may be restricted. For any closures that take place, alternative routes for the public shall be provided.”
- 5) Concerns over environmental damage to sensitive chalk grassland, it is designated a Special Area of Conservation (SAC) and a Special Protection Area (SPA). The applicant has answered Q 12 of application form – “Biodiversity and Geological Conservation with a **No** to all 3 questions”, we do not feel this to be correct.
