<b>Particulars of Development: Proposed single storey dwelling with garden, driveway and access.</b>	
<b>At: Land behind 63, 64 &amp; 64A Martins Road, Keevil, BA14 6NA</b>	

In pursuance of its powers under the above Act, the Council hereby grant **PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

#### Subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The materials to be utilised within this development shall accord with the schedule of materials as described within the planning application form received on the 09.03.2020.

REASON: In the interests of visual amenity and the character and appearance of the area.

- 3 All external lighting shall be angled so as to be facing downwards and shall not illuminate any boundary features.

REASON. In the interests of ecology and neighbouring amenity.

- 4 No development hereby approved shall progress beyond slab level until a scheme for

the discharge of surface water from the site incorporating sustainable drainage details, has been submitted to and approved in writing by the Local Planning Authority. No dwelling shall be first occupied until surface water drainage to serve the development has been constructed in accordance with the approved scheme.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting planning permission and the matter is required to be agreed with the Local Planning Authority

- 5 The development hereby permitted shall be carried out in accordance with the following approved plans:

REASON: For the avoidance of doubt and in the interests of proper planning.

INFORMATIVE TO APPLICANT: Breeding Birds.

Please be advised that works should not take place that will harm nesting birds from March to August inclusive. All British birds (while nesting, building nests and sitting on eggs), their nests and eggs (with certain limited exceptions) are protected by law under Section 1 of the Wildlife and Countryside Act 1981 (as amended) and the Countryside and Rights of Way Act 2000. If birds are nesting on/in or within the vicinity of the proposed development, work should be undertaken outside the breeding season for birds to ensure their protection, i.e. works should only be undertaken between August and February. Further advice on the above can be sought from the Council Ecologists.

INFORMATIVE TO APPLICANT: Reptiles.

There is a low risk that reptiles could occur on the application site. All reptiles are legally protected under Schedule 5 of the Wildlife and Countryside Act 1981 (as amended) and planning permission does not provide a defence against prosecution. In order to minimise the risk of reptiles occurring on the site, the developer is advised to clear the site and vegetation in a sympathetic manner during the autumn (September/October) or spring months (April-May) and to maintain the vegetation at a short height to make it unsuitable for reptiles until the construction works commence. If these species are found during the works, the applicant is advised to stop work and follow the advice of a professional ecologist to inform necessary mitigation and/or compensation measures.

INFORMATIVE TO APPLICANT:

The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition, you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to

**Dated: 12 March 2020**

Town and Country Planning Act 1990  
**PERMISSION FOR DEVELOPMENT**  
**NOTES**

1. **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

In particular the applicant is reminded of the following matters:-

- 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
- 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
- 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
- 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2. **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <http://www.planningportal.gov.uk/planning/appeals> ). The Secretary of State has the power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been so granted otherwise than subject to the conditions imposed by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him.

If the applicant wishes to have any further explanation of the reasons for the conditions imposed on this permission it will be given on request and a meeting arranged if necessary.

**Appeals where an enforcement notice has been issued.** Article 33 (2) (b) & (c) of the Town and Country Planning (Development Management Procedure) (England) Order 2010, provides that a shorter time limit to appeal to the Secretary of State shall apply where an enforcement notice has been served, as follows:-

'Type A appeal', 28 days from— the date of the notice of the decision or determination giving rise to the appeal; or

expiry of the specified period;

'Type B appeal', 28 days from the date on which the enforcement notice is served;

['Type A appeal' means an appeal in respect of an application relating to land and development which are the same or substantially the same as the land and development in respect of which an enforcement notice—

(a) was served no earlier than 2 years before the application is made;

(b) was served before— (i) the date of the notice of the decision or determination giving rise to the appeal; or (ii) the expiry of the specified period; and

(c) is not withdrawn before the expiry of the period of 28 days from the date specified in sub-paragraph (b);

'Type B appeal' means an appeal in respect of an application relating to land and development which are the same or substantially the same as the land and development in respect of which an enforcement notice—

(a) is served on or after— (i) the date of the notice of the decision or determination giving rise to the

appeal, or (ii) the expiry of the specified period;

(b) is served earlier than 28 days before the expiry of the time limit specified— (i) in the case of a householder appeal, in paragraph (2)(a) of the Order; or (ii) in any other case, in paragraph (2)(d) of the Order; and

(c) is not withdrawn before the expiry of the period of 28 days from the date on which the enforcement notice is served.]”

3. **Purchase Notices.** If permission to develop land is granted subject to conditions, whether by the local planning authority or by the Secretary of State for Communities and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
4. **Compensation.** In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
5. **Discharge of Conditions.** There is now a fee for applications to discharge planning conditions, details of which are set out on the Council’s website. The fee is payable per request and not per condition. The fee must be paid when the request is made, and cannot be received retrospectively. It does not matter when the permission was granted as long as it remains extant. The request, identifying the permission (with reference number) and the conditions concerned, should be made by using the 1 APP forms which are available on the Councils Website or the Planning Portal.  
  
You are advised that the local planning authority has up to 12 weeks to consider the request, that you apply well in advance of when you intend to start work
6. **Street naming and numbering.** If this permission relates to the creation of new dwellings/commercial units or conversion of buildings into dwellings/commercial units, you are required to apply for street naming and numbering to ensure that the new buildings are allocated accurate addresses and registered with the Royal Mail. Relevant application forms, guidance notes and fee sheets are available to download at <http://www.wiltshire.gov.uk/planninganddevelopment/streetnaming> or you can contact the Address Information Team on 01225 770508 or by email at [streetnaming@wiltshire.gov.uk](mailto:streetnaming@wiltshire.gov.uk)
7. **Informative** There is a legal duty of care incumbent on the customer and contractor that all commercial waste generated as a result of the works hereby authorised is safely contained, transported and disposed of lawfully in line with the Environmental Protection Act 1990 and Environmental Permitting Regulations 2016 (as well as any other related legislation). Failing to do so can lead to individuals or organisations being prosecuted for unlawful waste management.
