Subject: The Conservative Club

Dear Sir/Madame,

I am emailing to object to the change of use of the Marlborough Conservative Club to a dentist surgery.

Reference numbers:

19/10636/FUL

19/11025/LBC

It is a very well run place, where I (and many others I know) love spending time. Everyone would be extremely sad to see it go, and lose such an amazing environment.

Yours sincerely,

Eliza Grant
