Dear Wiltshire Development Management,

19/10636/FUL
19/11025/LBC

I strongly object to the potential closure of the conservative club. It provides an incredibly good value, community space, and is extremely beneficial to the local residents. The loss of the club would be extremely damaging to the high street and the town as a whole, as one of the last remaining locally run, non-corporate businesses on the High Street.

Sincerely, Edward Abbott
