Subject: Conservatives Club Marlborough

Dear Sir/Madame,

I am emailing to object to the closure of the conservatives club on the Marlborough high street.

19/10636/ FUL

19/11025/ LBC

The high street already has two dentists and does not need more in my opinion, and the conservatives club is such a nice and friendly environment as a young adult to meet with friends and have a nice evening. The high street would not be the same without it.

Many thanks
