**Subject:** Formal complaint to the potential closure of The Conservative Club

Dear Whoever this may concern,

I have lived in Marlborough for 5 years and am deeply saddened by the potential closure of the Conservative Club in Marlborough. It adds to the sense of place in Marlborough like no other, and thus to lose it would be not only a great loss for myself and my family who have gone there for years, but also for the community which it brings together.

PLANNING NUMBER:

19/10636/FUL

19/11025/LBC

I am shocked and upset that I must write this email, but I do hope you can take my, like hundreds of other Wiltshire residents, with deep thought. I do hope we can make action to stop this loss for Marlborough immediately.

Best,

Giacomo
