I am sorry for not including my comments in my previous e-mail, I am writing to prevent the closure of the conservative club by making it into a dentist. The Conservative Club is a really nice place with a good community feel that would be sorely missed if it were gone. It is a lovely place to be, and a good place to hang out with friends for a drink. I do hope that you will take my email into consideration.

Regards,

Miss Lola Cracknell.
