Subject: Objection

Dear Sir/Madame,

I am emailing to object to the change of use of the Marlborough Conservative Club to a Dentist Surgery as it is a really lovely place to hang out, it has a warm and welcoming environment and I will genuinely miss it in our town.

Reference Numbers:

19/10636/FUL

19/11025/LBC

I really hope that you take my email into consideration, Saffron Rowell.
